NOTICE TO THE PUBLIC.

Having withdrawn from all other interests, I intend hereafter to devote my attention entirely to the business of job printing. The splendid printing, ruling and binding plant heretofore run as THE GAZETTE Job Printing House remains my property, and I am prepared to undertake every description of job work, from the cheapest card or label bill to the most elaborate and finished bookwork at prices and in style that shall compare favorably with those of any other establishment in the state.

I solicit the orders of the public, and will personally attend to the execution of all work entrusted to me.

Excitement in Texas.

Great excitement has been caused in the vicinity of Paris, Tex., by the remarkable recovery of Mr. J. E. Finding relief, he bought a large bottle and a box of Dr. King's New Life Pills. By the time he had taken two boxes of pills and two bottles of the Discovery, he was well and had gained in flesh thirty-six pounds.
